CONCORDIA WINS XXII CARAT

XXII CARAT, a unique ultra-luxury gated beachfront community, located on Palm Jumeirah has recently appointed Concordia as its FM services partner. The projects ideology of fl#awless attention to detail with emphasis on energy efficient and environmentally conscious construction, as well as the developers overall creative vision, enhances every aspect of project.

Alexander Karabet, Founder and MD of Mansions Owners Association Management, and Sanjay Bhatia, General Manager Concordia were onsite for a joint walk through and to execute the agreements on June 16th, 2019. Concordia has already mobilized its services and has been working closely with the Mansions team to ensure that the residents receive world class service that would meet the nature of this project.

“Congratulations to Concordia FM on winning the contract. The level of competition in FM industry is high and we are happy to work with the best companies like Concordia. We believe this partnership will bring great value to all the residents of XXII Carat community and fit well with Mansions’ high quality service philosophy,” says Mansion’s Founder and Managing Director Alexander Karabet.

“We are delighted to be part of such a project and are very grateful for being recommended by Mansions & selected by the Client to provide services for this unique project. The project’s extreme attention to details and the exclusive hotel-inspired lifestyle with #five-star service and elite amenities inspired us to think differently and we have already demonstrated that we can meet and exceed such expectations,” says Concordia’s General Manager, Sanjay Bhatia.
